As you can see, you may choose to receive for your “demonstrator bonus” either cash or store credit for AVL accessories or parts. If you opt for the latter, we’ll set up an account for you in our Bonus Bank. Anytime you want an accessory, we’ll simply credit your account and send the item your way.

To get started, just let us know that you want to be an AVL demonstrator and we’ll make note. From there, either you or AVL may initiate a demonstration. If we do, we will connect you and the prospect to arrange for the meeting. Just let us know how it goes and we’ll take care of the rest.
